Answer 6 football questions and win €100,000 with STVV main sponsor goldenpalace.be.

Golden Palace, Belgian leader in games of chance and since recently the main sponsor of the Jupiler Pro League club Sint Truiden (STVV), has launched a promotion potentially giving away €100,000 on its online platform www.goldenpalace.be. The concept is simple: answer 6 football questions correctly and you win the full amount.

Goldenpalace.be, leader in Belgian gaming halls, casino games and sports betting, is launching a promotion to celebrate its newfound partnership with football club Sint Truiden (STVV) announced during a press conference last week Thursday. The concept is simple: the player to reply to all the below questions will walk away with €100,000:

The below questions concerning STVV's first 15 games after their return to the Jupiler Pro League:

1. What will STVV's position be in the ranking?
2. How many goals will STVV have scored?
3. How many goals will STVV have conceded?
4. How many goals will have been scored by STVV's top scorer?
5. Predict the correct score of STVV – KRC Genk (e.g. 1-1)?
6. How many games will STVV win within its first 15 games?

The competition is open to everyone aged 18 or above not blacklisted from games of chance who creates an account at www.goldenpalace.be. It is not required to place any bets in order to participate.

Players can enter their predictions until the start of the new football season (July 24) by visiting www.goldenpalace.be/stvv-en. Goldenpalace.be has already announced additional promotions for during the season as well as plans for a charity project it will undertake together with the football club at a later stage.

About Golden Palace:

With nearly 40 gaming halls spread over Belgium, Golden Palace is the Belgian market leader. The group also has its own online platform goldenpalace.be which offers sports betting, casino games and poker. Its growth from family business to an enterprise with over 300 employees has been made by possible by forming relationships of trust with its customers.
